

23rd Annual **KICKOFF CLASSIC** Tournament

February 26th - 27th, 2022

Health Protocols for Kickoff Tournament

Downey AYSO is committed to following the Health Order for Youth Sports from the County of Los Angeles Dept of Public Health. In addition, our school site permits have requirements to follow the Downey Unified School District protocols. Please make sure your teams follow the protocols listed below to help our tournament run smoothly.

All teams from cities under the LA County Health Order

"Outdoor Moderate or High-Risk Sports for youth ages 12 and older and staff/coaches/ volunteers:

A weekly negative test result is required for all participants

whose vaccination status is not up-to-date, including youth ages 12 and older who are playing and staff/coaches/ volunteers; weekly school testing fulfills this obligation."

"Up-to-date vaccination status refers to having received a booster dose of a COVID-19 vaccine when eligible or having completed a primary COVID-19 vaccine series if not yet eligible for booster."

Teams should send proof of up-to-date vaccination for all players, staff and coaches who are age 12 and older prior to the tournament. For those that will be providing a negative test result from within 6 days of the start of the tournament, please provide documentation during team check-in. Any players, staff or coaches who are not in compliance will be deemed ineligible for participation in the tournament.

All teams who are competing at a school site

Downey Unified School District requires everyone on the campus to wear a mask regardless of vaccination status. This includes all players, coaches, staff and spectators. Players may remove their mask, if they choose to, only while playing on the field. Anyone who refuses to wear a mask will be asked to leave the property.

You can start sending proof of vaccination as soon as your team is confirmed for the tournament. Please feel free to contact me if you have any questions.

Thank You,

Michael Rios
